My Splash Pad
PUT THE Fun IN YOUR Backyard
My Splash Pad™ is a leader and innovator in the residential splash pad industry. Now you can turn any yard, patio, driveway or deck into an instant splash pad with

**MY PORTABLE SPLASH PAD™**

**My Splash Pad's Portable Splash Pad** line and Mobile Spray and Play Features.

Our products ship fully assembled and ready for outdoor water play fun. Simply place them on a level spot on your yard, patio, driveway or deck, attach your garden hose, turn on the water, and enjoy.

No electrical outlet needed. No chemicals required. And they are available to you at a fraction of the cost of a permanent concrete splash pad installation.

When you purchase from **My Splash Pad™**, you’re purchasing direct from the manufacturer. No middle man. No trips to the big box store. We ship our products to your door from our manufacturing facility, right here in the USA.

Are you ready to put the fun in your backyard?
